

Redirecting Children's Behavior Course

Redirecting Children's Behavior is a powerful and practical course that teaches effective parenting skills in a supportive, loving, and non-judgmental atmosphere. Learn how to build mutual respect, resolve conflicts and create effective teamwork at home and at work.

Participants learn to:

- >> Resolve conflicts without power struggles
- >> Allow children to solve their own problems, offering them guidance when needed
- >> Create positive motivational messages
- >> Assist children in becoming self-confident, responsible, and cooperative
- >> Prevent sibling/peer rivalry
- >> Use techniques for dealing with stress at home
- >> Feel calmer & create more time for yourself

And discover much, much more...

- >> Tips that will make parenting more fun
- >> Lessons on how to work as a unified couple
- >> Over 100 effective, empowering parenting tips

Do You Recognize One of These Children?

- >> A Teenager Who Breaks the Rules
- >> A Toddler Who Demands Your Attention
- >> Siblings Who Fight
- >> The Bully Who Pushes Others Around
- >> The Whining Child Who Says "I Can't"
- >> A Child Wanting to be The Center of Attention
- >> A Child Who Gets into Power Struggles
